30 Years of Excellence!

A 30 year reunion was held during Homecoming to celebrate a tradition of excellence at Joseph City High School. Many former students and faculty came back to visit and participate in the celebration. Eric Gibbons emceed the program on Saturday which honored individuals who have played an important role in the history of the school. Mr. Bill Bennett was honored by having the auditorium named after him. Mr. Bennett was the Superintendent of the Joseph City Schools from 1970-1983. During this time period the high school and many school buildings were built. Curriculum, activities, and programs were expanded and improved. Currently Mr. Bennett represents Joseph City High School by serving on the NAVIT board. We would like to thank him for his many years dedicated service and hard work for the students of the Joseph City Schools. Mr. Bennett is an example of dedication and excellence!

JH WRESTLING

The team was composed of many young wrestlers. They focused on learning techniques and winning or losing graciously. The most memorable match was against Snowflake. "The wrestlers did their absolute best, against a well established program," commented Coach Falck.

Front, L-R: Tyson Smith, Owen Parker, Kyle Newnam, Sean Maxwell, Triston Rogers, Kendall Penrod. Back, L-R: Kera Hensley-manager, AJ Smith, Cory Thellmann, Wesley Angel, Tyler Vaughn, Elliot Felton, Ryan Bray, Coach Falck.

Can we go sit down now?

What's this wrestling move, Coach?

JH VOLLEYBALL

The 8th grade team ended the season with a 10-6 record. Four of the games went three sets to determine the outcome. "The team ran a more complex offense this year with lots of hitting," stated Coach Baird. "This is an awesome group of volleyball players and I believe that some of them will get some HS Varsity experience next year." The most memorable game was against Snowflake. "It took us three sets to win, but Snowflake sure was shell-shocked," said Coach Baird.

8TH GRADE TEAM, Front L-R: Kaity Shaw, Kat Parker, Brittany Hansen. Middle: Amber Rice, Kayla Draper. Back: Coach Baird, Brittany Johnson, Larissa Fish, Chalene Howerton, Charlee Favro, Jessie McMaster, Holly Garner

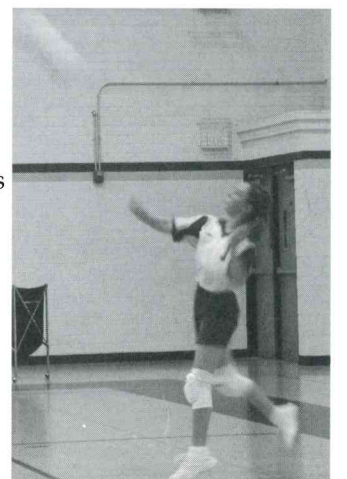

7TH GRADE TEAM, Front L-R: Dana Haight, Stephanie Lavarney, Melissa Elsen, Afton Payne, Amber Sorgen, Leah Kuhse, Jordan Newnam. Back: Coach Baird, Ashley Bushman, Madison Bolton, Cassie Pugh, Cassie Gardner, Chrissy Cooksey, Nikki Pogue.

The 7th grade team ended the season with a 3-8 record. All three wins came at the end of the season in the 7th grade tournament. The three wins placed the team with the 3rd place trophy. "The team improved with each game," commented Coach Baird. "The girls had never played volleyball and each one's skills and knowledge of the game improved greatly." The most memorable game was the 3rd place tournament game against Winslow. "It took us 3 sets to win the exciting match, but the girls held tough and won," stated Coach Baird.

Congratulation Jeff

God blessed you with unique talents and abilities, and you have used those gifts well! You've taken nothing for granted; rather, you have worked hard to prepare for a challenging future. Just as important as the lessons that you've learned in the classroom are the ways that you've grown as a person: the friendships you have formed and the deeper understanding you have acquired of yourself and others. As you celebrate this milestone in your life and look towards a new horizon, never forget what has brought you this far. Remember the love of your family and friends. Remember your own sacrifice and hard work. And remember that God has a special plan for your life. You have so much to be thankful for and so much to look forward to! May today mark the beginning of many new joys and accomplishments... and a continuation of all of the good things that you have already achieved.

The Blessings of 1984

A Poem by Kelly McLaughlin to Kellie McLaughlin

October 29, 2002

1984 - A year of my life, a moment in time,
a year of change, a year so divine.
I often do wonder, who's life I have stolen,
for I'm surely not worthy, of blessings so golden.
In this year of our Lord, Nineteen Eighty and Four,
the Lord up above, showered blessings galore!
The month was July, day seven of this,
when "I Do" was repeated, and sealed with a kiss.
This blessing alone, a lifetime would please,
yet God in his grace, was abundant indeed.
In the autumn so golden, of Eighty and Four,
an angel of heaven, did knock on our door.
Her eyes sparkled blue, and laughed with delight,
as her hair of spun gold, our lives it did light!
The days were soon full, of babbles and burps,
And then overnight, our new names she did blurt.
"Mama" and "Dada", our joy was complete,
yet blessings times millions, we yet had to reap.
From preschool to high school, the years they flew by,
as the blessings she gave, rose up to the sky.
These years we will treasure, and hold close to our hearts,
like gold, gems and silver, never to part.
A child of God, we were blessed with that year,
now eighteen years more, we will always hold dear.
We thank God, and praise him, for that wonderful year,
and for you, our sweet angel, to us so dear.
Our hearts can scarce hold, our pride that we feel,
as a woman you blossom, with beauty so real.
Your course you have charted, with God at your side,
and smooth sailing it's not, with storms, shoals and tides.
But with God as your compass, guiding you through,
and faith as your rudder, holding you true,
together you'll sail through life's troubled waters,
with wind in your sails, to God's perfect harbor.
Kellie, as you follow life's pathway, stay righteous and true,
to our God up in heaven, who, to us, gave you.
We love you, Mom & Dad

The Varsity Boys Basketball team made school history by taking the first JCHS State Basketball Championship. They ended the season with an impressive 32-2 overall record. The team dominated the 1A conference and was undefeated at home for the second year in a row. They went on a 22 game winning streak and ended up being the Conference Champions for the third straight year. "The team improved most on their transition game," commented Coach Fields. The most memorable game was the State title game against Fredonia in the America West Arena. The Wildcats easily handled the Lynx and everyone got playing time in the Championship game.
